

LET'S DO MORE IN '74 -- FOR OURSELVES ON MATINENDA LAKE

1974

DEAR FELLOW MATINENDA HOME OWNER:

We property owners on our lake have a common responsibility, that being the obligation to help prevent the pollution of our lake to the best of our ability. The officers of the Matinenda Home Owners Association are working hard to find ways to keep the lake clean.

During the summer of 1973, the rubbish and garbage disposal problem was met by working out a system of providing containers and removal service at the dock expressly for the convenience of Association members. This action necessitated an increase in dues to \$12.00 per year, which was voted at the August meeting.

The ability to meet this same problem in 1974 depends on a strong membership. If the Matinenda Home Owner's Association includes all the property owners on the lake, it's influence will be more significant.

In order to make it possible for everyone to get to a meeting of the Association during the summer of 1974, the executive has established three meeting days as follows: 1. SUNDAY, JUNE 16; 2. SUNDAY, JULY 21; and 3. SUNDAY, AUGUST 18.

LOOK FOR THE TIME AND PLACE ON OUR NEW BULLETIN BOARDS AT THE LAKE. PLAN TO ATTEND AT LEAST ONE OF THESE MEETINGS. ALL OF THEM IF YOU CAN.

It is sincerely hoped that you will fill out and return the tear sheet below, together with your Association dues for 1974 (\$12.00) to our secretary, GORDON DAVEY, 59 LANSDOWNE AVE., SAULT STE. MARIE, ONTARIO. P6B 1K5. A receipt will be supplied to anyone requesting one.

I look forward to seeing you at Matinenda this coming summer, and hope we will have the best one yet.

Sincerely,
Preston B. Wells, President,
Matinenda Home Owners Association.
